A fresh approach to  
laundry detergents and chemicals

**WASHCO**  
LEADERS IN LAUNDRY

# WASHCHEMICALS

**Delivering clean, infection-free laundry is about more than having the right machines. It's also about having the detergents and chemicals perfectly set-up to work in combination with your laundry equipment.**

With our range of commercial laundry detergents and chemicals, **WASHCHEMICALS**, we deliver a complete service including the installation, set-up and management of your dosing equipment, designed to work in perfect harmony with your washing machine.

You can be confident you have the right combination of products as our expert team will work with you to understand the particular needs of your laundry resulting in clean, hygienic results.

## EVERYTHING YOU NEED IN ONE PLACE
